

new_record_handler

```
graph LR; A[new_record_handler] --> B[read_leaderboard_file]; B --> C[split];
```

A flowchart consisting of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'new_record_handler'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'read_leaderboard_file'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'split'.
